

Introduction to Good Scientific Practice (GSP)

Dr. Felix Hagenström and Dr. Katrin Frisch

“Discussion Hubs to Foster Research Integrity”,
as part of the German Research Ombudsman,
funded by the DFG (German Research Foundation)

Outline

Part 1: What is GSP?

What are the consequences of misconduct?

Part 2: The history and evolution of GSP

National and international codes of conduct

Recent developments

Part 3: Where to find important information?

What to do in case of misconduct?

What to do in case of conflicts?
